

NVBS Presents:
Paula Coupe
PMC Workshop
06 March 2010
10:00 AM - 04:00 PM

Paula Mayes Coupe is a polymer clay artist. Following her retirement in early 2001, she began taking classes in metal at the Torpedo Factory Art League School. One of those classes was Precious Metal Clay (PMC) with Barbro Eriksdotter Gendel. Paula was hooked. She received her certification in PMC in 2002 from J. Fred Woell, and has continued taking workshops with Celie Fago, Chris Darway, Sherri Haab, Sherry Fotopolos. Paula is currently teaching PMC workshops for the Torpedo Factory Art League, Star's Beads, and Arlington County. She continues to study metalwork with Nick Barnes.

Cost of the workshop for NVBS members is \$40. Cost for nonmembers is \$65. The kit fee is \$20 and includes the basic tools necessary to begin PMC. The workshop includes the use of Paula's tools. Students should feel free to bring textures, cutters, exacto knives, or tissue blades. Students with previous PMC experience are welcome to come and work on more complex projects.

Students are also required to purchase PMC+ from Paula. Currently the (discounted) price is about \$27 for an 18g pack and students will need at least one. Additional clay, a few tools, and other products will be available for purchase at a discounted price.

Each student will leave with a finished, ready-to-wear PMC jewelry.

The location of the workshop is the Reston Community Center, Lake Anne location. The workshop will start at 10:00 AM and conclude at 04:00 PM. The workshop is limited to 12 participants.

All attendees must be 16 years or older.
