The Northern Virginia Bead Society (NVBS) is an organization formed for educational, charitable, social, cultural, and artistic purposes, including, for such purposes, the making of distributions to organizations that qualify as exempt organizations as defined by section 501 (c(3)) of the Internal Revenue Code, or the corresponding section of any future federal tax code. NVBS is registered in the state of Virginia and identified by a federal tax number which will be disclosed upon request.

All items donated to NVBS are deductible for tax purposes at their present Fair Market Value. Internal Revenue Code places the responsibility for estimating the "Fair Market Value" and the method used to determine the value upon the donor rather than the receiver of the gift. (The local office of the IRS advises that "Fair Market Value" is interpreted as that price which a buyer is willing to pay and a seller is willing to accept.)

No goods or services have been received by the donor in exchange for this donation.
